

Hurricane Procedure

- Keeping you informed in the event of an emergency is a top priority at Discovery Montessori. That's why we have adopted the AlertNow rapid communication service. AlertNow will contact all of our families via voice or text messages to telephones, mobile phones, e-mail and any internet-enabled device within minutes.
- If Duval County School Board makes the announcement that they are shutting down, Discovery Montessori School will follow.
- Discovery Montessori School closings will also be listed on the following stations: ABC 25, Fox 30 News, Channel 12 News and Channel 4 News. Please stay tuned to these channels during severe weather to learn the school's current status.
- Once the Discovery Montessori School Administration has evaluated current weather conditions, you will be notified of the school's re-opening via the AlertNow rapid communication system.
