

Dear Parents,

Keeping you informed in the event of an emergency is a top priority at Discovery Montessori. That's why we have adopted the ALERTNOW Notification Service which will allow us to send a telephone or e-mail message to you providing important information about school emergencies. In the event of an emergency at school, including school closing, severe weather, etc, you can have peace of mind knowing that you will be informed immediately by phone.

What you need to know about receiving calls sent through ALERTNOW

- Caller ID will display the school's main number when a general announcement is delivered (904-247-4577).
- Caller ID will display 411 if the message is a dire emergency.
- ALERTNOW will leave a message on any answering machine or voicemail.
- If the ALERTNOW message stops playing, press any key 1-9 and the message will replay from the beginning.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

Thank you for your cooperation and if you have any questions please don't hesitate to contact us.

We are very excited to incorporate ALERTNOW as a tool to improve parent communication and look forward to having the ability to deliver real time information to you.

Thank you.
