

A Montessori and Me Class
Session I 2010-2011

The **Montessori & Me** class takes place in the beautiful indoor and outdoor environments at Discovery Montessori School. It is specifically designed for the 18 month to 3-year-old child. The After Care classroom in the new LEED certified Green multi-purpose building has spacious classrooms with screened porches; natural lighting and age appropriate Montessori materials. This is an interactive class! Under the guidance of Pat Greenman, a certified Montessori teacher, you will have the opportunity to work with your child in the Montessori environment. A nutritious snack will be served in a community fashion. Ms. Pat will conclude with the parents and children in a group song, finger play or movement activity.

Parents will be invited to attend special child development lectures and have access to our Montessori books and tapes. As part of our Montessori community you may join us for all school wide events such as our Fall Festival and May Day celebration. All activities and events are listed on the school calendar that can be found at www.dmsonline.org

In order to reserve a space for your child you must return the registration form below with your payment. The first session of the 2010-2011 school year will be 8 weeks and will be limited to 10 families. If you have any questions, please call the office at 247-4577. *Due to high demand, admission to the program will be allowed on a first come first serve basis.
