

Back By Popular Request!

Another Happy Year of F.A.C.E.

The Fitness and Character Education (**F.A.C.E.**) program developed by Kirk Farber, 7th degree Black Belt and Seminar Speaker was so popular that he is returning for another year (8th year) to Discovery Montessori School. He combines his 25+ years training of Martial Arts, jumping rope, and juggling to guarantee results in agility, coordination, focus, and timing for today's youth. He incorporates building self-esteem and character education thru public speaking on character trait within every class session. If you're interested, please complete and return the form below along with a check to insure a spot. We are limiting this program for Upper, Lower elementary, and Kindergartners to a maximum of 15 students.

Location: DMS - Starting September 7, 2011
